

Guide driver's car solution

“One day driver's guide solution” package - Reference BDX-TRANS01

- An official guide, fond of wine and history, that has a full license both for driving you and to visit the vineyard and historic places with you;
- A luxury car (such as this luxury Lancia Phedra Di Lusso presented below);
- Departure / return at your hotel;
- Available in French, English, German, Deutsch, Spanish, Portuguese, Japanese, Chinese, ...

Maybe the best way to discover the vineyard.

Discovering the vineyard

- The guide is yours for the day (9 hours, including lunch time);
- He / she drives you to the chateaux for the visits (however, in most cases, the visit of the chateau is made by the owner or manager, not by your guide);
- He / she can drive you along the most well known chateaux or the most astonishing views on the vineyard;
- Wine specialist, he / she can give you all the information you need on the vine or the vineyard.

Following your order, you will first receive a confirmation by email first and then your voucher by post.
